

It has come to my attention that our local Airl radio station is in danger of being displaced by an LPFM broadcaster. I feel that this move would be detrimental to our community. Most of the pop-culture in Las Vegas is luring youth into immoral behaviour, but Airl provides good quality music and entertainment that appeals to people of all ages, and it has positive messages. No other station reaches out in the way that Airl does. Please do not do anything to jeopardize this valuable ministry.
